

**“Going to the Barbershop!”** \* Social story\*

**Written by: The Shop on The Ave Family**

---

**Mr. Dave works at the Barbershop.  
Mr. Dave cuts my hair!**

**First, I  
have to  
wait my  
turn.**

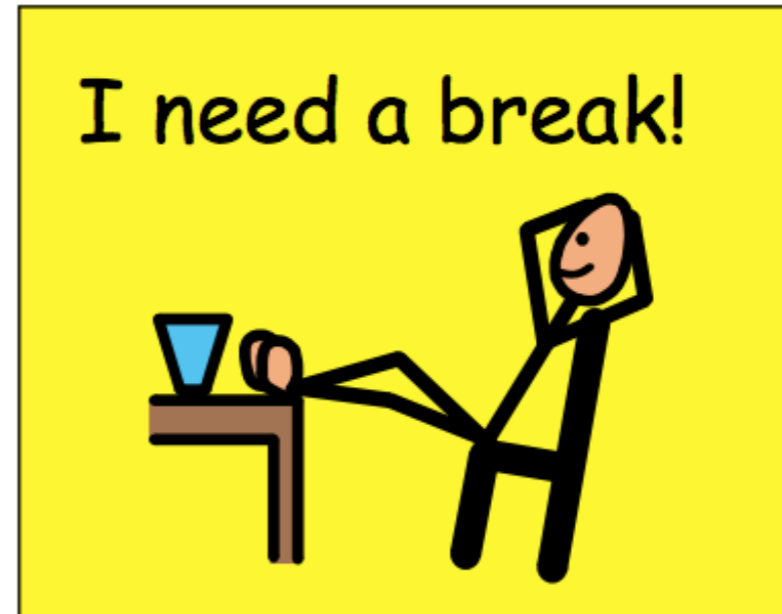

**Then, Mr.  
Dave will  
call my  
name to  
sit in the  
chair.**

**When I am  
sitting in the  
Chair, I will  
wear a special  
cape around  
my neck!**

**Mr. Dave has a lot of cool tools that help him cut my hair. Some of these tools might tickle my head and neck. Some of these tools might make a loud noise.**

**If Mr. Dave uses clippers, it will make a noise and tickle my neck and head. This tool is to cut my hair short. If I do not like the sound, I can ask Mr. Dave to “Cover my ears” - OR - “Take a break”**

hands in lap

**While Mr. Dave is cutting my hair, I am sitting in the chair nicely with my hands on my lap. Soon my hair cut will be done, and Mr. Dave will give me a Treat!**

---

**When my hair cut is done, Mr. Dave will take off my cape and brush the hair off of my neck, with a brush. Sometimes - he uses a broom to sweep up the hair on the floor, or a loud tool that blows air to help clean up.**

---

**When I am all done  
my hair cut my  
hair will look  
great, and I will  
get to have a  
treat !**
